14738 Cantova Way - Sloughouse, CA 95683 - (916) 354-2029 - FAX (916) 354-1126

JOB OPENING NOTICE

Position: CONSTRUCTION EQUIPMENT OPERATOR (CEO) INSTRUCTOR

Location: OE 3 JATC (Training Center), Sloughouse, CA

Overall Responsibility

Responsible for the overall success of students taking a course under his/her supervision by providing quality instruction in both classroom and field environments to diverse students at beginning, intermediate, and advanced levels.

Principle Responsibilities

- Teach material from approved curriculum and course work as assigned, including forklift, rigging/signal, and safety classes
- Prioritize and adapt teaching methods to meet the needs of students
- Lecture and discuss concepts and techniques
- Perform hands-on demonstrations
- Prepare material for presentations
- Monitor students in field during hands-on practice
- Provide professional and constructive feedback and conduct student evaluations
- Provide a non-threatening learning environment
- Administer written and practical proficiency tests and evaluations
- Treat all students fairly and with respect
- Prepare field and classroom for training and testing
- Ensure compliance with all safety standards
- Prepare accurate and complete class and student records
- Provide individual one-on-one training in field as time permits
- Attend all OE 3 District and Semi-annual meetings
- Perform other duties as assigned by Field Foreman, General Superintendent, and/or Director

Qualifications

- Must be a member in good standing of OE 3
- Have a minimum of 10 years journey-level experience as an Operating Engineer directly related to the operation of heavy equipment (GPS knowledge preferred)
- High school diploma or GED
- Valid CA Driver's License
- Must be a subject matter expert in the field of construction equipment operation with general knowledge of the construction industry and GPS technology
- Basic computer skills
- Ability to effectively communicate to students and others from diverse backgrounds
- Good organization skills with the ability to meet schedules and deadlines
- Must pass both written and hands-on proficiency tests on various pieces of equipment

Hourly wages and benefits per collective bargaining agreement.

We are an EOE M/V/F/D employer.

Interested candidates must submit a JATC employment application (available on oe3.org) and resume to Tammy Castillo, Director of Apprenticeship, at tcastillo@oe3jac.org. Completed applications must be received by 5:00pm, on Friday, August 25, 2017.
