

PRIMARY ELECTION RECOMMENDATIONS

THE GENERAL ELECTION IS NOV. 3. Please make sure you are registered to vote and **VOTE UNION** in this election. Below are Local 3's endorsed candidates and measures at the time of this writing. Please check back here and on Local 3's website (oe3.org) for updated recommendations and look for more information coming in the mail. Most importantly, remember that your attention to these endorsements ensures our union's needs (Core Values) are met: Education and training, steady employment, good wages, strong benefits, safe, professional and responsible working conditions, dignified retirement and collective bargaining rights.

PRIMARY ELECTION RECOMMENDATIONS

STATEWIDE BALLOT MEASURES

Prop. 1 – Veterans Housing Bond

(\$11.25 billion bond that would fund the creation and preservation of affordable housing for veterans and their families, increasing employment opportunities for members on housing projects and infrastructure related to them.) **YES**

Prop. 2 – Increase Rainy Day Fund

(Increases CA's "rainy day fund" during years when state revenues are strong, which would better protect the jobs, wages and benefits of Unit 12 members and other public employees during budget emergencies, such as an economic downturn) **YES**

Prop. 5 – Recall Successor Election

(Special Elections or appointments would be held to fill vacant government positions, which means more stability for projects that require the participation of governmental positions.) **YES**

Prop. 40 – Billionaires' Tax

(Some billionaires fund projects that put OE3 members to work. This tax may result in those funding current or future projects withdrawing those funds from the state, which puts employment for our members at risk) **NO**

Prop. 43 – Two-Thirds Vote Requirement

(provides major obstacles for getting any funding for projects that employ Operating Engineers and could result in these projects and that employment disappearing) **NO**

Prop. 45 – Building an Affordable California Act

(could compromise labor standards on projects, while giving up the unions' ability to advocate for labor standards at the local level) **NO**
