STATEWIDE BALLOT MEASURES

Prop. 1 – Veterans Housing Bond

($11.25 billion bond that would fund the creation and preservation of affordable housing for veterans and their families, increasing employment opportunities for members on housing projects and infrastructure related to them.) **YES**

Prop. 2 – Increase Rainy Day Fund

(Increases CA's "rainy day fund" during years when state revenues are strong, which would better protect the jobs, wages and benefits of Unit 12 members and other public employees during budget emergencies, such as an economic downturn) **YES**

Prop. 5 – Recall Successor Election

(Special Elections or appointments would be held to fill vacant government positions, which means more stability for projects that require the participation of governmental positions.) **YES**

Prop. 40 – Billionaires' Tax

(Some billionaires fund projects that put OE3 members to work. This tax may result in those funding current or future projects withdrawing those funds from the state, which puts employment for our members at risk) **NO**

Prop. 43 – Two-Thirds Vote Requirement

(provides major obstacles for getting any funding for projects that employ Operating Engineers and could result in these projects and that employment disappearing) **NO**

Prop 45 - Building an Affordable California Act

(could compromise labor standards on projects, while giving up the unions' ability to advocate for labor standards at the local level). **NO**

Amendment B

(This measure would change the Utah Constitution by enacting a 60 percent threshold to pass laws proposed by citizens, when they impact taxes, without changing the legislature's ability to do so. If passed, this measure would severely limit Local 3's ability to secure infrastructure funding, enact prevailing wage protections or pass measures that would help OE3 meet the shared needs of it membership, including access to jobs.) **NO**
